RECYCLE & TRASH GUIDELINES

Bring Proper Payment - Transfer stations no longer accept cash. Credit or debit cards only.

Self Service - Please come prepared to unload your own vehicle or trailer.

Secure Your Load - You are responsible for items that fall from your vehicle. (*ARS 28-1098)

Bag ALL household trash - Un bagged trash can become windblown litter before it reaches the landfill and may endanger the environment. Maricopa County requires all household trash to be bagged before acceptance at the transfer station. (*ARS 49-762.07)

DO NOT bag mixed recycling - Bagging recycling can disrupt the sorting process at the processing facility due to the plastic film clogging the machines. However, shredded paper may be bagged in a CLEAR plastic bag and placed in the recycle bin.

DO NOT place trash in mixed recycling bins - Trash can clog or break the sorting machines.

DO NOT contaminate the recycling bins - Please read all of the signs for placement of waste or ask staff if you need assistance.

Clean up after yourself - Please keep the area clean for others.

Maricopa County Environmental Services may refuse to accept any waste that is not handled properly.
